Our autumn nightaway includes an exciting variety of highlights, one of which is staying in the 4-star **Avon Gorge Hotel du Vin** with its outstanding views of the famous **Suspension Bridge** over the River Avon near Bristol. The restaurant has stunning views of the gorge. Another major highlight will be lunch at the famous

Thornbury Castle which has a history dating back to Tudor times. The hotel has **3 AA rosettes** for the standard of its cuisine and guests dine in the beautiful Tudor Hall. We will also visit **Dyrham Park**, a fine baroque mansion dating from the 17th century, which has recently been restored and contains a collection of fine art and Dutch Delftware. *The Remains of the Day*, starring Sir Anthony Hopkins and Emma Thompson was filmed here. There will also be time at leisure to explore Bristol's **Clifton Village** with its elegant Georgian houses, elegant shops and enchanting Victorian arcade. Also included is a visit to the **Bristol Aerospace Museum** at Filton to see and step aboard the very last *Concorde* that took to the air.
