## Bristol - Dublin - Liverpool mini cruise

Saturday 8 June 2024 for 4 days

An escorted short break by coach featuring a 3-night cruise with Ambassador Cruise Line

We are pleased to offer you this very special 4-day short break which has at its heart a **3-night mini-cruise** aboard the highly acclaimed cruise ship *Ambition* which is operated by **Ambassador Cruise Line**, Britain's newest cruise line. The high standards it has achieved mean that Ambassador Cruise Line is already an award winning company so if you come with us next June you will discover why. *Ambition* is an ideal size, not too large, but large enough to offer a wide range of facilities. We have reserved 24 ocean view cabins including 16 for single occupancy - with no single supplement being charged. Early booking is strongly recommended.

### ITINERARY

**Day 1 (Saturday)** Our Bessway coach will travel westwards from London towards the M4. **Morning coffee** will be supplied in Berkshire followed by a **light lunch** near Bristol. Mid-afternoon we shall check in at the Royal Portbury docks on the Severn Estuary for our 3-night cruise aboard *Ambition*, all onboard meals and entertainment supplied.

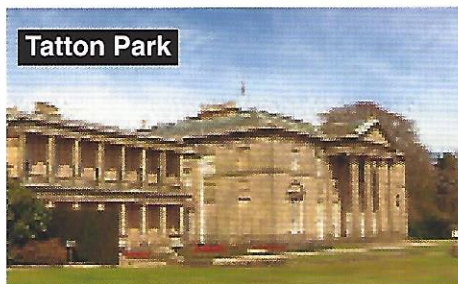

**Day 2 (Sunday)** A whole day at sea cruising towards Lands End and then across to Ireland. There will be time to relax and enjoy the elegant lounges and stylish bars and lovely views out to sea. There will also be a programme of entertainment centred on *The Palladium*, the ship's theatre. Eating options on board are plentiful and varied. We shall dine together each evening.

**Day 3 (Monday)** After breakfast we will disembark at Dun Laoghaire for a visit to the famous **Powerscourt Gardens**, one of the loveliest in Ireland. With stunning views of the beautiful Wicklow Mountains, the gardens are full of colour. They are beautifully maintained and contain magnificent trees. Inside the house are a range of interesting design shops. Free time in **Dublin** in the afternoon, a chance to see the amazing *Book of Kells* at Dublin's Trinity College. This shore visit is optional at an extra charge. Instead you may prefer to relax onboard ship.

**Day 4 (Tuesday)** Following breakfast we disembark in Liverpool where our coach will meet us at the cruise terminal. We will then travel to **Tatton Park** in Cheshire, an historic mansion with opulent state rooms, fine furniture and paintings, plus impressive formal gardens. You will be able to obtain a light lunch here. Our coach will then return us to West London with a stop for an **early dinner** in the Midlands. We expect to arrive back in West London by approximately 8.30pm.
