A short break to Norfolk featuring the amazing **THURSFORD CHRISTMAS SPECTACULAR**

Friday 10 December 2021 for 3 days

Can you believe it ? Every year near a small village in Norfolk there is a hugely spectacular Christmas show which is modelled on the famous **Radio City Music Hall Christmas show** in New York. With a huge cast, this is a production that sells out nearly a hundred performances each November and December with audiences coming from all over the UK to see it - and it tends to be the same people coming year after year because they know what to expect - a truly wonderful theatrical and musical experience. All aspects of Christmas are represented and with over 500 costumes being worn it is immensely colourful.

Another major highlight this year will be our visit to **Holkham Hall** to see the magnificent state rooms decorated for the festive season. We shall each be given a glass of Prosecco and a light lunch while we are here. This outstanding historic house, the home of the Earls of Leicester for centuries, is one of England's finest.

As in 2017 we shall be staying at the splendid 4-star **Knights Hill Hotel & Spa** near Kings Lynn which looked after us very well last time. We hope you will decide to join us. Early booking is recommended
