A nightaway to Norfolk for the amazing **THURSFORD CHRISTMAS SPECTACULAR**

**Sunday 13 December 2026
for 3 days**

Can you believe it ? Every year near a small village in Norfolk there is a hugely spectacular Christmas show which is modelled on the famous **Radio City Music Hall Christmas show** in New York. With a huge cast, this is a production that sells out nearly a hundred performances each November and December with audiences coming from all over the UK to see it - and it tends to be the same people coming year after year because they know what to expect - a truly wonderful theatrical and musical experience. All aspects of Christmas are represented and with over 500 costumes being worn it is immensely colourful. The 2026 show will be different to last year's. This short break also includes a visit to the cathedral city of Ely and the charming market town of **Holt**. As in previous years we shall be staying at the splendid 4-star **Knights Hill Hotel & Spa** near Kings Lynn with its indoor swimming pool. We therefore hope you will decide to join us. Early booking is recommended.

Day 2 (Monday) We plan to visit the charming Norfolk town of **Holt** this morning before we arrive at **Thursford** in time for the 2.00pm matinee of this year's Christmas Spectacular show. You will be able to obtain a lunchtime meal or snack here prior to the performance. **Dinner** at our hotel.

Day 3 (Tuesday) We will visit the state apartments of **Holkham Hall** (lavishly decorated for Christmas) prior to you having lunch here before we travel homeward in the afternoon with a tea stop.
